

MISCELLANEOUS TIDBITS

- All students will receive a monthly newsletter that will include the following information: special events at HOH, monthly curriculum, and miscellaneous notes that will be important to you. These will be handed out to each student present in class. If you miss class copies of the newsletter will be in the viewing room while supplies last. You may also print them from our website.
- All registered students should receive a "2009-2010 Registration Newsletter" on or before the first day of class. If you have not received this newsletter please notify the front office.
- COMING SOON! We will be unveiling our new website. The website will have online registrations and online payment ability!
- Ms. DeAnne is coming home and will be back in action at HOH around the first of September. DeAnne has been in Germany for the last four months serving her country in the Air Force! We are very proud to have her as part of our HOH team!
